

GSCP Curriculum and Licensure Requirements Across States and Territories
(updated annually, last updated 5/1/2021)

recognized, health-related organization. (ii) Training offered by, or in conjunction with, a state or federal agency. (iii) Training obtained in an educational program that has been approved by the board for initial licensure, or by a college or university. (iv) Reading an article related to the identification of victims of human trafficking that meets the requirements of subdivision (a) of this subrule and is published in a peer review journal, health care journal, or professional or scientific journal.

Doctoral education requirements are not met for one state, *New Jersey*, which requires three additional course credits in psychopathology than the current GSCP curriculum requires. New

The doctoral degree must be based upon at least 40 doctoral credit hours earned specifically within the field of psychology and within a doctoral program requiring personal attendance at the degree-granting institution that meets the requirements below. Thirty-six of the required 40 credit hours shall be distributed across the following areas of graduate study:

- 1) Personality Theory and Human Development Theory: six credits (GSCP meets requirement)
- 2) Learning Theory and/or Physiological Psychology: six credits (GSCP meets requirement)
- 3) Psychological Measurement and Psychological Assessment: six credits (GSCP meets requirement)
- 4) Psychopathology: six credits (GSCP requires three credits of psychopathology)
- 5) Psychological therapy/counseling or Industrial/Organizational Psychology: six credits (GSCP meets requirement)
